## THE SCHOLARSHIP

Earning the 21st Century Scholarship guarantees you'll receive up to four years of undergraduate tuition\* at any participating public college or university in Indiana. If you attend a private college, the state will award an amount comparable to that of a four-year public college. If you attend a participating proprietary (for-profit) school, the state will award a tuition scholarship equal to that of Ivy Tech Community College of Indiana.

*\*The scholarship amount may be reduced depending on the availability of funds and the availability of the student's family to contribute to college.*

As a 21st Century Scholar, not only do you earn a scholarship, you get step-by-step help to make sure you succeed in college. Plus, once you get to college, 21st Century Scholars receive support to finish their degrees.
